**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I would love to upgrade from my DSL copper but that isn't an option. AT&T isn't interested in me except as regulated or as a video customer. Since I just want decent Internet, I'm with a local ISP that helps me deal with the AT&T copper handicap. Don't leave me dangling with your deregulation efforts & AT&T's guillotine.

Thank you.
